

Central Indiana Chapter-CAI Suit Casing Policy

CIC-CAI has a no-tolerance policy regarding “suit casing,” which describes the practice by non-sponsoring companies or individuals of soliciting sales or sales leads on the golf course, or golf course facility, including the pro shop, lobby, and parking lot and/or representing their services or soliciting golf outing participants for conflicting activities and wearing company logo wear.

Non-sponsor suppliers participating in the golf outing as attendees are prohibited from soliciting business on the golf course, or golf course facility, including the pro shop, lobby, and parking lot and/or representing their services or soliciting golf outing participants for conflicting activities and wearing company logo wear.

Violators of these policies will be ejected from the golf outing and charged the minimum sponsor rate (\$500), which must be paid prior to registering as an attendee, exhibitor, or sponsor at any future CIC-CAI golf outing or other event.
